FACTORIES ACT, 1955

ELECTRICITY REGULATIONS

Section 5 of the Factories Act, 1955, and Section 5A of the Factories Act, 1955.

GENERATION, TRANSMISSION, DISTRIBUTION AND USE OF ELECTRICAL ENERGY IN PREMISES UNDER THE FACTORIES AND FIREWORKS ACTS, 1955 TO 1958

These Regulations are made under the authority conferred by Section 5 of the Factories Act, 1955, and Section 5A of the Factories Act, 1955.

1. In these Regulations, unless the context otherwise requires, the definitions and expressions defined in Section 2 of the Factories Act, 1955, and in Section 2 of the Fireworks Act, 1955, shall apply.

2. The following provisions shall apply to the generation, transmission, distribution and use of electrical energy in premises under the Factories Act, 1955, and the Fireworks Act, 1955:

(a) The electrical installation in any premises shall be designed, constructed, maintained and used in accordance with the provisions of these Regulations.

(b) The electrical installation in any premises shall be inspected and tested in accordance with the provisions of these Regulations.

(c) The electrical installation in any premises shall be maintained in accordance with the provisions of these Regulations.

(d) The electrical installation in any premises shall be used in accordance with the provisions of these Regulations.

(e) The electrical installation in any premises shall be repaired and maintained in accordance with the provisions of these Regulations.

(f) The electrical installation in any premises shall be replaced in accordance with the provisions of these Regulations.

(g) The electrical installation in any premises shall be dismantled in accordance with the provisions of these Regulations.

(h) The electrical installation in any premises shall be removed in accordance with the provisions of these Regulations.

(i) The electrical installation in any premises shall be re-erected in accordance with the provisions of these Regulations.

(j) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(k) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(l) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(m) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(n) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(o) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

3. The following provisions shall apply to the generation, transmission, distribution and use of electrical energy in premises under the Factories Act, 1955, and the Fireworks Act, 1955:

(a) The electrical installation in any premises shall be designed, constructed, maintained and used in accordance with the provisions of these Regulations.

(b) The electrical installation in any premises shall be inspected and tested in accordance with the provisions of these Regulations.

(c) The electrical installation in any premises shall be maintained in accordance with the provisions of these Regulations.

(d) The electrical installation in any premises shall be used in accordance with the provisions of these Regulations.

(e) The electrical installation in any premises shall be repaired and maintained in accordance with the provisions of these Regulations.

(f) The electrical installation in any premises shall be replaced in accordance with the provisions of these Regulations.

(g) The electrical installation in any premises shall be dismantled in accordance with the provisions of these Regulations.

(h) The electrical installation in any premises shall be removed in accordance with the provisions of these Regulations.

(i) The electrical installation in any premises shall be re-erected in accordance with the provisions of these Regulations.

(j) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(k) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(l) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(m) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(n) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(o) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(p) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.

(q) The electrical installation in any premises shall be reconstructed in accordance with the provisions of these Regulations.
