

## 00. HOSPITAL COMMITTEE.

At a meeting of the Waterford Co. Hospital Committee on Wednesday, the committee inspected the cast-off clothing and gave orders for its disposal. It was reported that eight pigs had been sold to Messrs. Bowe Bros. for £37 10/. It was recommended, in view of the increase in the laundry now being sent, that an additional £4 10/- per week be paid to the Good Shepherd Laundry. The porter was granted an extra supply of coal for the lodge.
